4. Only those dependents of the employee authorized for dependent coverage in the City's active group health plan prior to the effective date of retirement shall be authorized for continued retiree health benefits.
5. Dependent coverage shall not be authorized without enrollment of the retiree; provided however, that upon the death of the retiree, or upon the retiree's attainment of age sixty-five (65), or the retiree's eligibility for Medicare for any reason, dependents then on the plan may continue in the plan in accordance with all other eligibility requirements.
